

TIPS FOR ONLINE WORSHIP:

- 1) We have attached this Sunday's order of worship and the words of the hymns and invite you to follow along with us.
- 2) We suggest having a candle and lighting it at the start of worship when the acolyte does.
- 3) To pass the peace, send messages via text or social media to your friends. You can also use the comment thread on YouTube.
- 4) Have the Biblical text in front of you to follow along in the reading.
